Musical Mentors Exploration

www.musical-mentors.org

Musical Mentors Exploration (MME) is an after-school program that partners with public schools to offer musical enrichment and an opportunity to “explore” musical instruments, genres, and performance.

MME is for elementary school students (grades 1-5) and middle school students (grades 6-8) who want to learn in a supportive and engaging group environment while also receiving individualized instruction. Students may participate as experienced instrumentalists or musical novices as the curriculum allows for varying levels of experience.

The program includes group classes and private or small group instruction. Weekly group classes introduce highly engaging experiences across many musical pathways. Classes are open to all levels of interest and ability. The curriculum introduces instruments that have a low barrier to entry allowing students to easily and profoundly experience the joys of making music and learning how to play an instrument.

After-school Program Cost: \$400

- The cost of this program is subsidized by MMC donors. The true cost per student is \$950/student. Thank you donors!
- Limited scholarships are available based on financial need. Additional financial information must be answered during the application process.
- Tuition must either be paid in full in September or may be paid monthly from September through March

Cost Includes

- Thirty weeks of 90-minute group classes
- Eight 30-minute private or small group lessons (lessons alone are valued at \$220)
- Two performance opportunities
- Snacks during class
- Group class instruments and materials as well as loaner instrument for private or small group lessons

Private or Small Group Lessons

- After 4-6 weeks of group classes and instrument introduction, students are given the opportunity to schedule eight 30-minute private or small group lessons on their preferred instrument.
- Students may select from the below list of instruments: Drums/percussion, piano/keyboard, recorder/flute (middle school only), ukulele, violin and voice
