

August 2024

Dear PS 145 Families,

We are excited to announce a new birthday celebration schedule at PS 145 that will allow us to celebrate all student birthdays in a fun and organized way. Starting this school year, we will celebrate all the birthdays in each month on a specific day. This will help us ensure that every child gets a chance to celebrate their special day while minimizing classroom disruptions.

### HOW IT WORKS

**Monthly Celebration Day:** Each month, we have designated a specific day to celebrate all the student birthdays for that month. The attached calendar provides the exact dates for each month's celebration.

**Bringing Treats:** Families are welcome to bring in cupcakes, a cake, or any other treats on the designated celebration day. Please coordinate with your child's teacher to confirm what you plan to bring and to ensure we accommodate any food allergies or dietary restrictions.

**Celebration Time:** The birthday celebrations will take place in classrooms during the last period of the school day to ensure that students can enjoy their treats and festivities without interrupting instructional time.

### BENEFITS

**Inclusivity:** Every student will have their birthday celebrated, ensuring no one feels left out.

**Minimized Disruption:** By having one celebration day per month, we can minimize disruptions to the learning process.

**Community Building:** This approach allows students to celebrate together, fostering a sense of community and shared joy.

### IMPORTANT NOTES

- Please refer to the attached calendar to see the specific celebration day for each month.
- If your child's birthday falls during the summer months, we will celebrate their birthday in June.
- We encourage parents to keep the treats simple and manageable for classroom settings.
- **No exceptions will be made to allow the celebration of individual student birthdays**

We appreciate your cooperation in making our birthday celebrations enjoyable and memorable for all our students. Should you have any questions or need further information, please do not hesitate to contact our Parent Coordinator Rania Amer by phone (347) 930-2681 or email [ramer@schools.nyc.gov](mailto:ramer@schools.nyc.gov).

Thank you for your continued support in creating a positive and inclusive school environment at PS 145.

Sincerely,

Dr. Natalia Garcia  
Principal
